Local Spotlight:

Bernard Wolfson
President

Hospitality Operations, Inc

Bernard Wolfson has over 40 years of real estate operation experience in conjunction with offices, warehouses, hotels, apartments, commercial space and vacant land. His latest project, the Hampton Inn & Suites in Brickell (50 SW 12th Street) opened its door in September 2011 and we are excited to have new neighbors! The Hampton Inn & Suites is located directly across the street from our Brickell office. This property is set to become the City of Miami's first newly-built hotel to earn LEED-certification (Leadership in Energy and Environmental Design) from the U.S. Green Building Council – and only the third Hampton Inn property worldwide to achieve the LEED distinction. The 221-room property created about 300 construction jobs, 75 permanent positions and filled the void for a moderately priced hotel in the Brickell area.

Bernard Wolfson, whose Hospitality Operations, Inc. is the region's largest Hampton Inn franchisee, is known for bringing mid-priced hotels to areas that lack them. In addition to the Hampton Inn & Suites Brickell property, Hospitality Operations currently operates a portfolio of five existing Hampton Inn franchises across South Florida, including hotels in Coconut Grove, Pembroke Pines, downtown Fort Lauderdale and the Miami Airport market.

Prior to focusing his energies full time to hotel development, he was a partner of the Law Firm of Wolfson & Starkman. His law practice focused on real estate, mortgages, condominium law, corporations and related commercial matters. Mr. Wolfson has resided in South Florida since 1945. Welcome to the neighborhood Bernard! Congratulations on the debut of a luxurious, trendy, AND budget conscious hotel!
